## EXPERIENCE

### **Schorlarly, Lagos — *Web Developer***

February 1, 2023 – July 1, 2023

I'm currently working on a contract with Schorlarly, an international tech start-up based in Lagos to bridge the divide in communication between students and professors globally and build an inclusive community for international students.

### **Abia Tech Hub, Abia State — *Web dev Intern***

November 2022 - January 2023

I worked as an intern for Abia Tech Hub, a company that provides a variety of web services ranging from web development and hosting to tutoring students in tech

### **ECR Tech, Abia State — *student and intern***

November 2020 - January 2021

I took a 3-month web development course at ECR tech where I learned and acquired a certificate in front-end web development

## EDUCATION

### **University of Nigeria Nsukka — *BS.c***

December 2019 - Present

I'm in the final stages of acquiring a bachelor's degree from the University of Nigeria, Nsukka.

### **GSS Pyakassa, Abuja — *O Level***

September 2017 - August 2019

I completed high school in GSS Pyakassa/Maitama, Abuja in 2019 where I acquired a Distinction in Computer Science
