EXPERIENCE

Schorlarly, Lagos — *Web Developer*

February 1, 2023 – July 1, 2023

I worked as a front-end developer at Schorlarly, an international tech start-up based in Lagos. My role involved building pixel-perfect web pages using react.js as well as using axios to manage backend APIs

Abia Tech Hub, Abia State — *Web dev Intern*

November 2022 - January 2023

I worked as an intern for Abia Tech Hub, a company that provides a variety of web services ranging from web development and hosting to tutoring students in tech. My role involved building catchy, responsive and animated user interfaces for clients of the company as well as tutoring students in web development

ECR Tech, Abia State — *student and intern*

November 2020 - January 2021

I took a 3-month web development course at ECR tech where I learned and acquired a certification in front-end web development

EDUCATION

University of Nigeria, Nsukka — *B.Sc.*

December 2019 - 2024

I acquired a bachelor's degree in Computer Science from the University of Nigeria, Nsukka.

GSS Pyakassa, Abuja — *O Level*

September 2017 - August 2019

I completed high school in GSS Pyakassa/Maitama, Abuja in 2019 where I acquired a Distinction in Computer Science.
